HackMHS V
Learn. Create. Discover.

Millburn High School,
462 Millburn Ave, Millburn, NJ | April 14th-15th, 2018

Join us for our fifth hackathon at Millburn High School, run by high schoolers, for high schoolers! Collaborate with fellow hackers, learn new technologies, game, and compete for prizes in this 24 hour hackathon. Attend workshops to introduce yourself into the world of hacking or learn a new tool.
No experience required!

Open to any high school students!
If you are in middle school, you are free to attend as long as you are older than 13.
